THE SCISSORS EDITOR.—Some people estimate

the ability of a newspaper and the talent of its

editor by the quantity of original matter. It is

comparatively an easy task for a frothy writer to

any and all subjects. His ideas may flow in one

weak, washy, everlasting flood, and the command

the mere writing part of editing a paper is but a

small portion of the work. The care, the time

employed in selecting is far more important, and

the tact of a good editor is better shown by his

selections than anything else; and that, we

know, is half the battle. But, as we have said,

an editor ought to be estimated, and his labor

understood and appreciated, by the general con-

duct of his paper-its tone, its uniform, consist-

DR. J. COLLIS BROWNE'S CHLORODYNE IS THE ORIGINAL AND ONLY GENUINE.

THE PUBLIC ARE CAUTIONED AGAINST The unfounded statements frequently made, "that the composition of CHLORODYNE is known to Chem-ists and the Medical profession." The fact is, Chlorodyne was discovered and invented by Dr. J. COL-LIS BROWNE (ox Army Medical Staff), and so named by him, and it has baffled all attempts at analnamed by him, and it has bailed all attempts at analysis by the first Chemists of the day. The method and secret of the preparation have never been published. It is obvious, therefore, that anything sold under the name, save Dr. J. COLLIS BROWNE'S CHLORODYNE, is a spurious imitation.

GAUTION.—Vice-Chancellor Sir W. P. Wood stated that Dr. Collis Browne was undoubtedly the inventor

Chlorodyne.
REMEDIAL USES AND ACTION. REMEDIAL USES AND ACTION.

This invaluable remedy produces quiet, refreshing sleep, relieves pain, calms the system, restores the decauged functions, and stimulates healthy action of the secretions of the body, without creating any of those unpleasant results attending the nee of option. Old and young may take it at all hours and times when requisite. Thousands of persons testify to its marvellous good effects and wonderful cures, while medical men extol its virtues most extensively, using it in great quantities in the following diseases;—Cholsra, Dysentry, Biarthone, Colice, Conghe, Asthine, Rheumatian, Neuralgia, Whooping Cough, Cramp Hysteria, &c.

EXTRACTS FROM MEDICAL OPINIONS.

The Bight Hop. Earl Russell communicated is the College.

The Right Hon. Earl Russell communicated to the College of Physicians, and J. T. Davenport, that he had received in-formation to the effect that the earl remedy of any service in Cholera was CHLORODYNE.—See Lencet Dec. 31, 1864. Dr. Love, Medical Missionary in India, reports (Bec., 1865) that in nearly severy case of Children in which Dr. J. COLLIS BROWNE'S CHLORODYNE was administered, the patient BROWNE'S CHLORODYNE was administered, he patient recovered.

Extract from Medical Times, Jan 12, 1866.—"Chlorodyne is prescribed by scores of orthodox medical practitioners. Of course it would not thus be singularly popular did it not supply a want and fill a place."

Extract from the General Board of Health, London, as to its efficacy in Cholera.—"So strongly are we convinced of the immense value of this remedy, that we cannot too forcibly args the measurity of adopting it in all cases."

The following are a few items which have come to us, and are of daily occurrence: come to us, and are of daily occurrence:

A man borrowed a part of a bottle of Hishop Soule's

days after, he bought three large bottles, returned a
full bottle for the one borrowed, and told his neighbor
that he would not be without Hishop Soule's Liniment
in his bouse if it cost \$250 per bottle. Another, who had suffered twelve years from a lame knee, was cured with Bishop Soule's Liniment, and said it was worth \$1,000 per bottle. Another, who had suffered many years from lameness, so that he could not walk without crutches, writes that he is cured by using Bishop Sonie's Liniment, and says that you cannot provies if too highly. Another, who had suffered from rhoumatism four years, and could get no relief, said his friends wherever he went, advised him to use Bishop Soule's Liniment. He had heard it so many times, that he had got out of patience with them, and would hay a bottle, and try it, but he knew it would not do him bottle, and try it, but he knew it would not do him any good; and whenever any one ever recommended it to him again he would tell them he had used it, and it was no better than anything else. Well, he hought one bottle; soon after, two bottles more. He was completely cured of his rheumatism, and although he is not a dealer in medicine, he has bought of us and sold forty-six dozen bottles. Another man says: "I thank God, and Bishop Soule's Limment, that after thank God, and Bishop Soule's Limment, that after thank God, and Bishop Soule's Limment, that alter four years suffering from Sciatica, I am a well man again." Another, "Bishop Soule's Liniment has not only saved me from a great deal of suffering, but has also saved my life. My physician says it is a wonderful medicine." Another, "My wife had been confined to her bed for a long time, with spinal complaint. The physician could not help her. One evening a lady friend called to see my wife, and said, 'I have been just as you are; the dector could not help me: I then used Blahop Soule's Liniment, and it completely corred me.
